

In Remembrance of a Beloved Pet

Thank you for being what you were to me,
Time now for you to move on and go free.
Thank you for sharing your life with human-kind.
I know another so special would be difficult to find.

Know that during your life you were held most dear,
And because of my care for you I shed a tear.
You will be missed for a very long time.
My pain is part of your leaving, so that is fine.

Go free, now, dear little loved one to where your kind go,
That you were deeply loved is for you to know.
